### PRECAUTIONARY STATEMENTS

May cause mild eye, skin and respiratory tract irritation. Avoid contact with eyes, skin or clothing. Avoid breathing vapors or spray mist. Wash thoroughly with soap and water after handling. Remove and wash contaminated clothing after use. Read and follow all precautionary statements on partner product labels.

### FIRST AID

**If in eyes:** Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If irritation occurs, seek medical attention.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. If irritation occurs, seek medical attention.

**If swallowed:** Rinse mouth. Have a person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless told to do so by the poison control center or doctor. Call a poison control center or doctor for treatment advice if you feel unwell.

**If Inhaled:** Move person to fresh air and keep comfortable for breathing. Call a poison control center or doctor for treatment advice if you feel unwell.

### GENERAL INFORMATION

N-Pak is a 34% ammonium sulfate solution designed to decrease hard water ion antagonism due to calcium mineralization.

### **DIRECTIONS FOR USE**

Prior to use read all the directions on this label and on the partner product labels. Follow the most restrictive label.

Use at a rate between 1.25% - 5.0% v/v depending on water quality.

One liter equals 0.40kg dry AMS.

**Mixing instructions:** Shake well or recirculate before use. Fill sprayer  $\frac{1}{3}$  to  $\frac{1}{2}$  full of water. Add N-Pak to the agitating spray tank, add dry flowables or dispersible granules, add emulsifiable concentrates, and continue to agitate until tank is full.

### **STORAGE AND DISPOSAL**

Do not contaminate water sources with equipment wash water, spray disposal wastes, or by cleaning of equipment.

**Storage:** Keep from freezing if possible. If stored below freezing, shake well or recirculate before use. Keep containers tightly closed. Store in original container. Do not allow water or other chemicals to be introduced into contents of container. Do not store near feed or food products. Do not use or store near open flame.

**Recyclable Container Disposal:** Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements

### **NOTICE OF WARRANTY**

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
