

Position: Location Manager

Location: Rose Valley, Saskatchewan

Term: Permanent & Full-time

Website: www.prosoils.ca

About ProSoils

ProSoils is a family-owned independent ag retailer of crop input products and services in central and eastern Saskatchewan. Our ag retail operations were founded in 2013 based on the deep passion and connection we have to the agricultural industry through our multi-generational family farming operation. Our business philosophy is to provide great products and exceptional service to our customers by building a business relationship that is centred around the needs of our customers' farms and their business goals. Our first-hand connection to farming, keeps us keenly aware of the realities and opportunities of crop production in western Canada. Our team is passionate, energetic, and enthusiastic about agriculture. Our ag retail operations are located in Saskatchewan near the communities of Rose Valley, Lipton, Porcupine Plain, Langbank, Maryfield, Wawota, Norquay, Canora, Sturgis, Rokeby and Kamsack.

The Location Manager Position

The Location Manager is part of the ProSoils' Management Team and is specifically responsible for the overall operations of the Rose Valley location. These roles and responsibilities include:

- Overseeing the daily operations of the Rose Valley facility.
- Staff supervision.
- Manage and oversee fertilizer plant operations.
- Manage and oversee all aspects of the NH₃ operations.
- Manage and oversee packaged products (crop protection & seed) operations.
- Oversee the customer experience.
- Oversee all safety requirements.
- Support the sales and agronomy teams.
